Fedora EPEL and Fedora OS Update Server Connections

(Everybody loves EPEL!)

Legend:
- EPEL
- Moving average (EPEL)
- Fedora OS
- Moving average (Fedora OS)
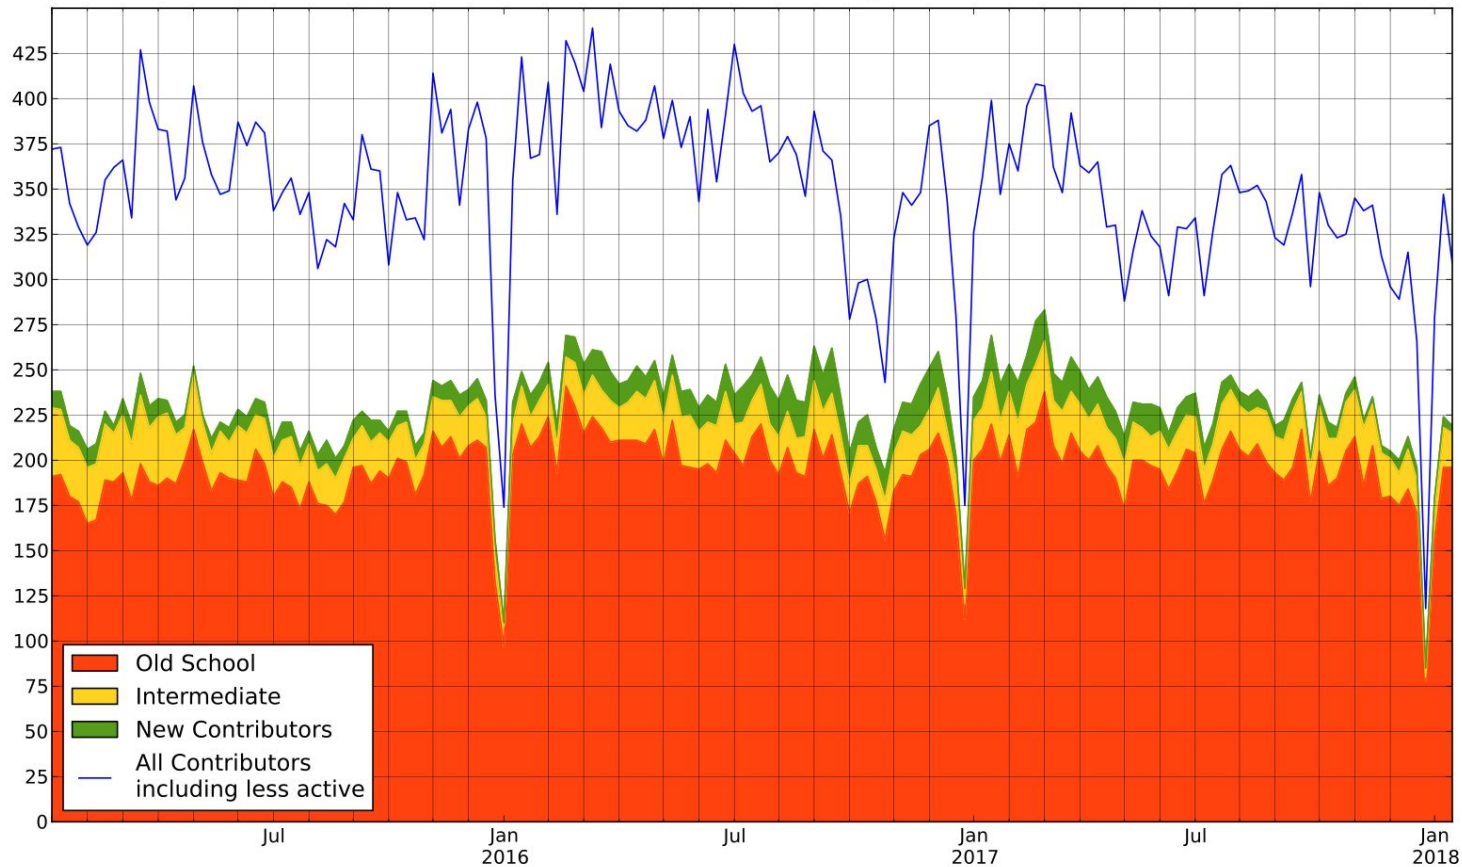

This is what happens to when all the sysadmins in the world suddenly, for some reason, apply updates to their systems with EPEL 7 all at once out of their normally-scheduled update windows...

Fedora Contributors by Week

Stacked graph of contributors with measured activity each week — and at least thirteen weeks total in the last year.
"Old school" contributors have been active for longer than two years; new contributors, less than one.
Blue line shows all contributors active this week regardless of amount of other activity.
