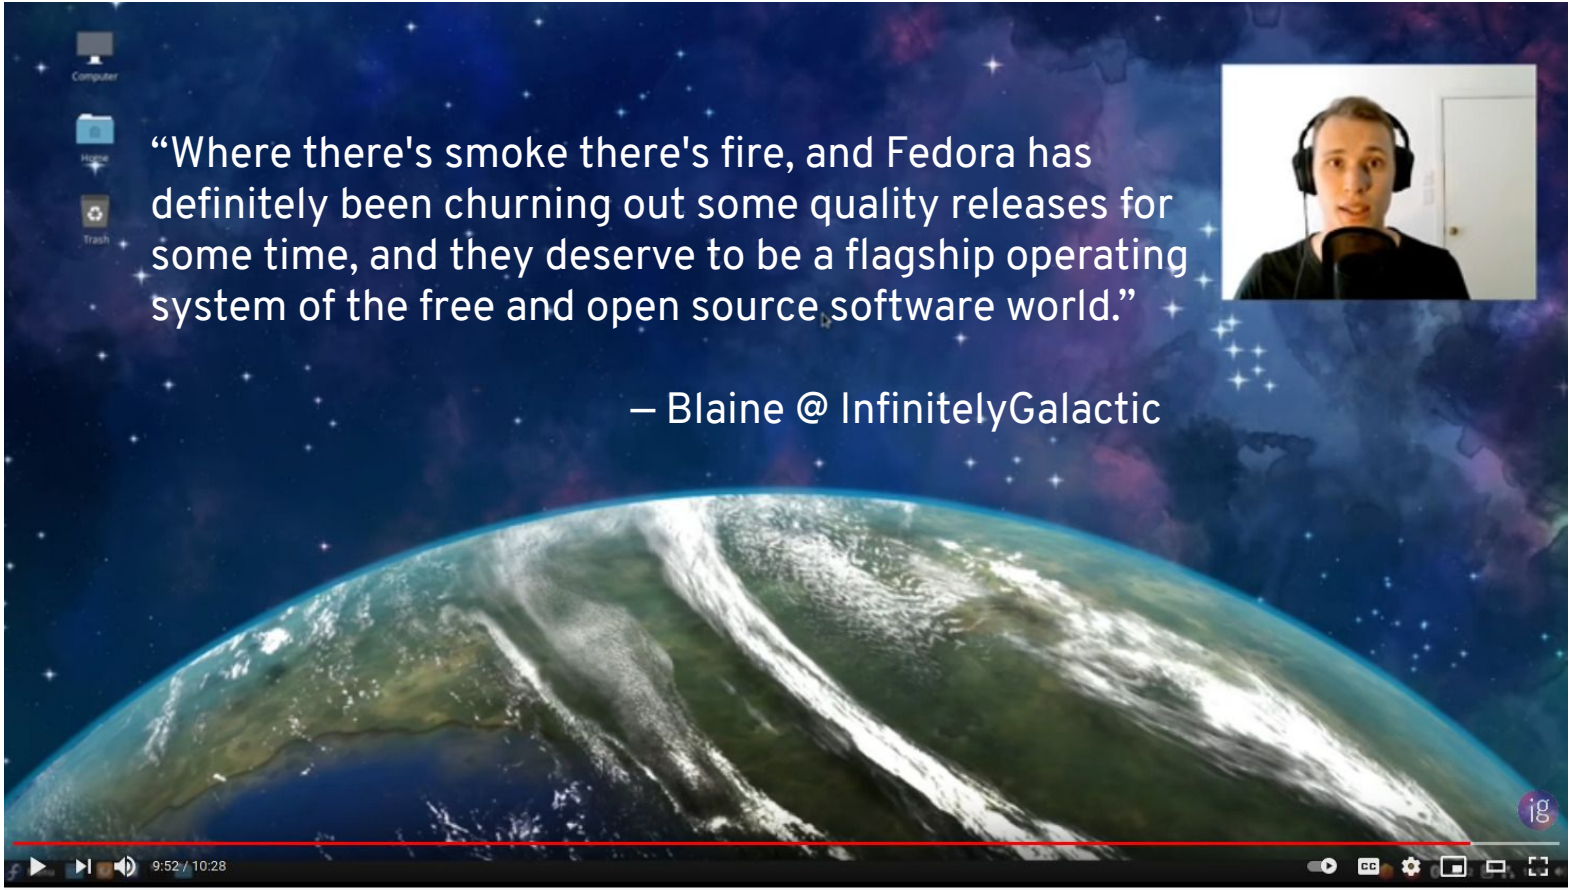
The State of Fedora

Matthew Miller
Fedora Project Leader
Virtual DevConf.cz!
February 2021

A brief preview of the talk before you today

- How things are going
- What’s happening
- What’s next (Fedora’s glorious future)
- The graphs you know are part of this talk
- Why you should get involved (and, how)
- Your questions



#fedora #desktoplinux #fedora33

How Fedora WON 2020 for Desktop Linux - 4 Reasons

The Fedora Project envisions

A WORLD WHERE **EVERYONE** *benefits from* **FREE & OPEN SOURCE** SOFTWARE

BUILT BY **INCLUSIV** *welcoming &* **OPEN-MINDE** COMMUNITIE

Fedora Contributors by Week

Stacked graph of contributors with measured activity each week — and at least thirteen weeks total in the last year. “Old school” contributors have been active for longer than two years; new contributors, less than one. Blue line shows all contributors active this week regardless of amount of other activity.
